

# Helicopter Adventure

**Combining the thrill of flying with sightseeing's picturesque panoramas, passengers experience a spectacular view of the city aboard their own private helicopter. DWTA Helicopters offers several tour options to choose from. Flights depart from DWTA's hangar at the Wichita Dwight D Eisenhower Airport, and can accommodate up to [3] three passengers aboard the safe confines of a FAA-Certified Chopper.**

## TOUR OPTIONS

### "Down-Town / West Side Tour"

Flight covers the Wichita down town area, the Arkansas River and its scenery, Exploration Place, Keeper of the Plains, NEW Baseball Stadium, and then on to the zoo to possibly catch an airborne peek of the animals. This tour is \$250 (plus tax) with approximately 15 minutes flight time.

### "Region Tour"

This flight covers the sights of the previous option AND the Wichita East Side sights as well, McConnell Air Force Base, WSU, etc. - This tour is \$395 (plus tax) with approximately 30 minutes flight time.

### "Extended Tour"

Truly exploring the region, travel to Cheney Reservoir, Lake Afton, RoseHill and experience some elements of the previous flights for a Full 1-Hour Adventure! This tour is \$750 (plus tax).

### "Beaumont Tour"

Take an excursion flying over the heart of the Flint Hills on your way to the Beaumont Kansas Airstrip. Passengers can explore the nearly abandoned neighborhood to view the old buildings and the oldest wooden water tower In America. Historical markers tell the story of these attractions. We recommend you stop in for some breakfast or lunch at the Beaumont Hotel Café before loading back up in the helicopter. This tour is \$850 (plus tax) with approximately 1 hr of flight time and up to 1 hour allowed on the ground in Beaumont. This tour can be scheduled Friday and Saturday only from 8am-2pm.

*Prices are per flight not per person*

- ALL passengers must arrive 10 minutes prior to flight time
- Individual passenger weight may not exceed 270lbs
- Any unanticipated situation which may delay scheduled flight outside the control of DWTA will result in a flight reschedule
